END

WEATHER FORECASTS ARE RELIABLE

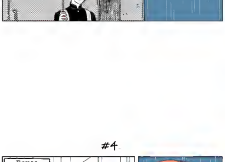
1

The forecast said it's rain tomorrow-
ROLL
And the indoor gym is under construction so the exam will be postponed until next week
Hahaha
ROLL

2

3

The incorrect way Nine-Tails-kid is about my grades to rock bottom, and I become the school's problem child.
Because of the conditions, I become more and more rebellious, ran away from home, and was sent from one city to another, until I am kidnapped and be forced to work on a fishing boat where I struggle with seasickness...
It doesn't take much to ruin a person's life.



4

There's a convenience store! I'll buy another one.
Where did that Boo go and leave her brother alone like that?
hehe
hehe
Wow, there's an umbrella for two?
I finally found it, my personal umbrella!

BTW if you don't remember, the umbrella has the same pattern as his "wife" unbeknown from chapter 6

Hey Boo, there's a crazy guy swinging around a japanese-print umbrella and pressing around in the neighbourhood. Do you want to take a look?
Find us on potatorealm.tumblr.com
Isn't it Boo-gun? Eheheheh.

Lord Readers! Please solve this problem!
Q.
Please choose what would be the most appropriate as a character item from any of the options below (multiple choices valid)
Mobile phone accessories
Notepad Memo Diary
Pencil case pouch eco-bag
Pen mechanical pencil and other writing utensils
Postcards letters cards
Other
Well... whatever you select, you'll get full marks
Hmph!
We're just curious to know what the readers think!
Option 7 None of the above lol. No jokes like this!

T/N: If it wasn't obvious, this has long past and it's not relevant now.
